## Renault launches its first 4x4 crossover, Koleos

Renault is entering the increasingly coveted 4x4 crossover segment with the launch of Koleos on June 12, 2008. This new leisure vehicle combines all the efficiency of a 4x4 transmission with the dynamic body styling of a sedan and the roominess of an MPV. Renault Koleos will be available with three trim levels and three engines and priced between €24,900 and €34,600. Orders can be made through the sales network from April 28...
